**Application Deadline:** Wednesday, April 1, 2020 by 5:00 pm AKST

**Eligibility Criteria**

The Petersburg Community Foundation (PCF), an Affiliate of The Alaska Community Foundation (ACF), seeks applications from qualified, tax exempt 501(c)(3) organizations (or equivalents, such as: Tribal entities, schools, and faith-based organizations) that are based in or serve the community of Petersburg. PCF grants support a broad range of charitable community needs in these areas: health and wellness, education, the great outdoors, arts and culture, animal welfare, community development, and many other charitable activities that benefit the Petersburg community. To be considered, eligible grant applications must be submitted online by 5:00 pm AKST on Wednesday, April 1, 2020.

**Ineligible organizations or activities:** Individuals, for-profit, 501(c)(4), 501(c)(6), and non-Alaska based organizations, private or family foundations, state and federal government agencies, and ad hoc groups without a tax-exempt legal status are not eligible for competitive grants. Applications for religious indoctrination or other religious activities, endowment building, deficit financing, fundraising, lobbying, electioneering, or activities of political nature will not be considered, nor will proposals for ads, sponsorships, or special events (e.g. fundraisers), and any proposals which discriminate as to race, gender, marital status, sexual preference, age, disability, creed, or ethnicity.

**Exceptions:** In selected cases, projects undertaken by organizations that normally fall outside the above guidelines may be able to receive funding. Examples include faith-based organizations whose proposal impacts the broader community, and units of government whose proposal extends beyond the traditional governmental functions that impact the broader community.

**Fiscal Sponsorship:** Ineligible organizations may be able to receive funding for projects if they seek support from a qualified organization who is willing to provide fiscal sponsorship. Fiscal sponsors must agree to take legal and fiscal responsibility for accepting grant funds from PCF on behalf of the ineligible organization. A letter from the fiscal sponsor must be submitted with the application for the project to be considered. Please review the fiscal sponsor letter template at the end of this document for a full list of requirements.
Evaluation Criteria

The PCF Grants Committee is composed of volunteer Advisory Board and potentially other community members. The committee strives to facilitate a competitive process that is fair and transparent, and all eligible applications are reviewed and evaluated using a scoring matrix by each committee member.

Preference will be given to applications which have the potential to impact a broad range of Petersburg area residents. Applications should detail measurable and achievable outcomes and demonstrate other sources of support, collaboration, or clearly articulate the need for the proposed project/program and how the community will be impacted through it. Thoughtful applications that concisely identify why it’s important for this project/program to be funded this year will be appreciated by the PCF Grants Committee.

Evaluation criteria include, but are not limited to: the overall merit of the project, the ability of the organization to successfully complete the project, the clarity and measurability of the project’s or program’s goal(s), the feasibility of the time frame given for completion of the project, and the number of people served.

Important Notes for Grantees

- **Required Online Grant Agreement**: If awarded, grantees must complete an online grant agreement signifying acceptance of the terms and conditions of the grant prior to the grant award being released.
- **Grant Project/Program Timeline**: Grant projects/programs must be completed within one year of the award date, unless the PCF Advisory Board approves a timeline extension for your awarded project/program. Extensions must be requested prior to the grant report due date.
- **Required Grant Report**: A grant report is due within one year of the grant award date. Grant reports are submitted online. All due dates, grant agreements, and grant reports are found within the online grants system.
- **Overdue Grant Report(s)**: If you are a grantee and have any overdue grant reports for previous grant awards from ACF and/or its Affiliate community foundations, you must complete a final grant report for those previous awards before your organization is eligible to be considered for any current or future grant opportunities from ACF and/or its Affiliate community foundations.
